69	John	CROSS	49.51	359	MV40	20	58	Unattached

The AW Stand column is the percentage of the Athletics Weekly standard for that age group. For the over 60s I have used V55s standards. For Vets where I do not know their age group I have used V35 or V40 to calculate their standard but their age appears as VET. Please let me know which age group you should be in.
